

Why Vote NO on the Income Tax Proposal?

The income tax question on the ballot this fall is a **reckless proposal** that will have **severe and immediate consequences** for all of us. This binding referendum will take **\$12.7 billion — nearly 40 percent — out of the state budget, driving up local property taxes** and leading to **drastic cuts in services**. Our communities will suffer sweeping education cuts, steep reductions in public safety personnel and further deterioration of roads and bridges. Times are hard enough. Let's not make them worse.
